Scarlett Letter performs a sultry cabaret

If ever a day of the week lacked va-va-va-voom, it's Monday. [Scarlett Letter](#), and the crew behind [Monday Night Tease](#), saw this va-voom vacuum and vowed to wow it up with a bit of tassel-twirling burlesque.

Scarlett's spectacular is a weekly thing at Three Clubs, and popular, too (Monday Night Tease bills itself as LA's longest-running weekly burlesque show, which is saying something in this land of sequins and come-hither looks). Perhaps it is the performer's lovely plumage -- her costumes have gotten enthusiastic nods -- or perhaps it is doing something naughty-ish on the woeful first day of the week. We choose not think too much about it. Instead, we'll just order something pink and frothy and enjoy the show. What, tomorrow's only Tuesday?
